

SHOULDHAM NEWS

Vol. 15 No.3 Winter 2016/17

All dressed up for Christmas!

And we're not talking turkey...

Shouldham is an extraordinary place. The village has been the talk of West Norfolk and beyond for several years past. Not only were we pioneers in saving our village pub – by buying it ourselves and running it for the benefit of the community – but the list of achievements grows longer with each successive year. Hot on the heels of the pub opening came the community café, run entirely by volunteers; for setting it up we should give three cheers to Emma Gibson, who has recently stepped down from the Shouldham Community Enterprises (SCE) committee.

Then, this year we managed to refurbish the Village Hall kitchens completely, and start a school meals service to St Martin at Shouldham Academy – thanks to the hard work of our three cooks, Helen Beck, Jemma Lawrence and Kerry Warwick. The kitchen has recently received the maximum five-star rating from the Environmental Health inspectors and the school meals are going from strength to strength.

But perhaps the most extraordinary thing about Shouldham is the proclivity of the village's menfolk to – at the drop of a (fluffy pink) hat – grab the nearest pretty dress, lever themselves into it, and parade about in the Village Hall. You can see several of these prime specimens of manhood indulging in their hobby on *Sunday December 18th*, when *Cinderella*, Shouldham's second ever pantomime, hits the stage. Tickets are available from the King's Arms or Nigel Walsh (seebnige@live.co.uk) and might have already sold out.

All these community ventures form only a part of the amenities in our great village, and Christmas is a good time to say thank you to everyone who provides these services: those who run the Chalk & Cheese, the Post Office, the King's Arms, and St Martin's school, as well as all the volunteers behind the Bowls Club, All Saints' Church, the Village Weekend Committee, Shouldham Community Enterprises, the Parish Council, the King's Arms café, Shouldham Football Club and the Village Hall. To this list, the editor would like to add all who help write, lay out, obtain the adverts and distribute *Shouldham News*. Merry Christmas and a Happy New Year to one and all!

Concerned about speeding in Shouldham?

Think something should be done to make our village safer?

The Parish Council is looking into forming a Community Speed-watch group, to help promote safer driving and deter speeding in Shouldham. In order to make the group feasible we would

need at least six volunteers from the community to undergo the relevant training and implement Speed Watch practices. If you are interested in joining this initiative or would like more information regarding it, please contact The Parish Clerk at shouldhampc@gmail.com. If we do not have enough volunteers, sadly the initiative will not be able to run. We hope to hear from you soon!

News from All Saints' Shouldham

Christmas trees and carol service

We intend to continue the custom of placing small Christmas trees in church in memory of loved ones. If you would like to take part in this, please contact Churchwarden Ann Hullah (347814) immediately. The trees need to be in church before the annual *Service of Nine Lessons and Carols*, which will be held on *Thursday, 15th December at 7pm*. We now know that this service will be led by the *Rt Rev David Thompson, Bishop of Huntingdon*, and will follow the traditional format, with the church seasonally decorated and candlelit. Refreshments will be served after the service and all are most welcome. This is one time in the year (other than the Flower Festival) to see All Saints' church at its best. It is a rare occasion that All Saints' is honoured with the Diocese's upper hierarchy, so do, please, make every effort to attend!

Midnight Mass / Christmas Day

In the absence of a full-time priest in this group of parishes, we regret that there will not be a service at Shouldham this year over the period 24th-25th December. The nearest Midnight Mass is to be held at Marham, with the Christmas Day Eucharist at Fincham at 10am.

Remembrance

At the last PCC meeting in July, members decided that it would be appropriate to hold a brief ceremony at the War Memorial in Shouldham churchyard on Armistice Day, Friday, 11th November. Fortunately, the weather was bright and breezy when a very small number gathered at the memorial to see the wreaths laid, hear the reading of the names, and to make the appropriate responses. This short ceremony was led by Churchwarden Brian Hullah.

A Service of Remembrance for the eight parishes was held on Sunday, 13th November, at Fincham, with the bells rung half-muffled. It was presided over by Rev Robin Blackall and the lesson was read by a serving officer from RAF Marham. Rev Brian Redgers gave an incisive, short sermon, stressing the need for each of us to live lives of forgiveness and to set a truly peaceful example, if we are ever to expect peace to replace war across the world. Representatives of the parishes read out the names of the Fallen; the intercessions were led by Lay Reader, Pippa Blackall; Holy Communion was celebrated; and the service concluded with the National Anthem. Our thanks to Babs Porter, May Pinches, and the parishioners of Fincham for the excellent refreshments at this solemn service.

Autumn Quiz

This annual event was held in the Village Hall on the evening of Saturday, 12th November, when nine tables sat down to tackle what Ann always calls 'the easiest quiz yet'. It seems inconceivable that we have been running this Autumn quiz since 1997, so – along with the fact that we also ran one each May for a few years – this means we have probably devised about 30 such evenings. What is more amazing to us is that some tables have attended all (or almost all) those occasions! What gluttons for mental torture you are! Anyway, the upshot of a good-natured night of cheers or groans saw *The Barton Bendishers* take the prizes with a very decisive victory. Well done to them! Our thanks, too, to Wendy Ash for manning the door; to the donors of the raffle prizes; and to all the competitors. A most welcome sum of £200 was made for church funds, which All Saints' PCC acknowledges with gratitude.

Magpie Centre Carol Service

Wrap up warm and join riders and volunteers of the Magpie Centre, home of West Norfolk Riding for the Disabled Association, at their Christmas Carol Service, including carols, readings, mince pies and mulled wine or apple juice, which is scheduled for Thursday, December 8 at 6pm prompt.

The event will take place in the indoor school at Wallington Hall, on A10, north of Downham Market. Admission is free, so now's your chance to meet us, and some of our lovely ponies, have a singalong, and find out about volunteering opportunities.

And if you're stuck for a gift idea for a pony-mad youngster, you couldn't do better than gift a year's pony sponsorship, priced at £12.50 for Silver and £25 for Gold sponsorship. Sponsor packs will be available on the night, or visit www.rda-westnorfolk.org.uk and click on Sponsor a Pony. Details are also available from the Magpie Centre on 01553 810202.

Keep up with the news!

If you would like to keep up with news happening in our village and the local area, between the three-monthly editions of *Shouldham News*, please send your email address to philhar-riss@icloud.com. This will also entitle you to an electronic edition of this newsletter – in colour! You can also find out what's happening in Shouldham by joining the village Facebook page on: <https://www.facebook.com/>

Become a member of SCE

Shouldham Community Enterprises (SCE) is a not-for-profit cooperative for the benefit of the community. It is run by a management committee of nine volunteers who all live in the village. The venture was originally set up in 2013 in order to buy the King's Arms, when a total of 189 people – mostly local to Shouldham – bought £150,000 in shares. SCE now also runs the community café attached to the pub, and a school meals' service to St Martin at Shouldham Academy (with the meals cooked in the Village Hall kitchen).

SCE wants to ensure that it continues to reflect the local community, and to encourage more people to get involved in the above ventures, so at its AGM in September, the members of SCE voted to allow the minimum shareholding in the company to be reduced. When the legal niceties are sorted out, this will mean anyone over *the age of 18* can become a member for the cost of a single share: that's £10. At the meeting, it was also decided to limit the number of new members to a maximum of 50.

Membership will entitle you to:

- *A copy of the annual report and accounts*
- *A copy of the rules of the society*
- *An invitation to attend the Annual General Meeting, and any other general meetings called by SCE*
- *Vote in elections to appoint committee members, and to vote on resolutions presented at general meetings*
- *Stand for election as a committee member.*

If you are interested in joining SCE and would like further information, please contact Phil Harriss (Dunromin, 16 The Green, Shouldham, PE33 0BY/philharriss@icloud.com).

SCE ends year on a high!

Shouldham Community Enterprises has won another award to cap off what has been a fantastic 2016 for our community-owned company.

SCE was chosen over the two other finalists – projects in Suffolk and Essex – to win the East of England Rural Community Ownership Award, from the Plunkett Foundation (a charity that supports community enterprises in rural districts). The award was presented to John and Jan McGourty at a ceremony in London – held on the 29th floor of the Millbank Tower.

Plunkett has stated that these awards ‘are designed to celebrate the most inspiring examples of people in rural areas working together to improve their communities, to raise awareness of the issues that many rural people face and how they can overcome them through collaborative action.’

In SCE and the King’s Arms’ case, the judges were particularly impressed with:

- Monthly quizzes supporting charities such as Cystic Fibrosis Trust and The British Legion
- Being awarded West Norfolk CAMRA Pub of the Year
- Providing school meals to St Martin at Shouldham school.

Peter Couchman, Plunkett Foundation Chief Executive, especially liked the idea of the Community Meal, held in Shouldham Village Hall in August to try out the school meals operation, commenting: ‘How cool is that!’

Congratulations to all at SCE and the King’s Arms, and to our heroic school cooks!

Christmas jokes 2016

They get worse...

How much did Santa pay for his sleigh?

Nothing, it was on the house.

What goes 'oh oh oh'?

Santa walking backwards.

Why did the turkey join the band?

Because it had the drumsticks

How does Good King Wenceslas like his pizzas?

Deep pan, crisp and even.

What did Adam say to his wife on the day before Christmas?

It's Christmas, Eve.

What do you call a snowman in the summer?

A puddle.

Why are Christmas trees so fond of the past?

Because the present is beneath them.
