

This Friday (18th Jan), Rt. Hon Liz Truss MP will be taking the opportunity to see with her own eyes the true scale of the proposed quarry. Below is information for residents who wish to come along and join Liz and campaigners on the walk. We hope to see as many people as possible.

Warm wishes

Liz (on behalf of CATSS)

- Walk with Liz Truss MP on the Public Right of Way across Marham Fen into the area of SIL 02.
- Meet, on foot, to start the walk at 1200 from the Marham allotments at the end of Fen Lane Marham (PE33 9JG).
- Please note that there will be no parking available in Fen Lane (single track road), so if travelling by car please park considerately elsewhere in the village and make your way by foot to the allotments.
- Walk scheduled for 1200-1300.
- Marham Village hall will be open afterwards for tea/coffee and a chance to chat about any concerns you may have about SIL 02 and AOS E before the next consultation period in Mar/Apr.
- There is the possibility of the media attending; e.g. BBC Radio, EDP, Lynn News, Your Local Paper, KLFM and Radio Norfolk.
- Please pass this message to your friends and neighbours who may not be on social media.
- If anybody fancies baking and bringing it to the village hall afterwards they would be most appreciated.
- Finally - wrap up warm and wear water-proof footwear as it is a bit wet and muddy down there.
- Hope to see as many of you as possible there.
